PROFILE

I'm an emerging Computer Science Engineer aspiring to work as an intern in a professional environment while continuously learning the new area of various technologies and providing my best services to the industry.

EXPERIENCE

WEB DEVELOPMENT INTERN

TVS Electronics-Digital It Department 08/2023 - 09/2023

- Participated in website development as an intern, primarily focusing on UI/UX design and contributing to coding for specific sections.
- The project is developed using HTML ,CSS,JAVASCRIPT and it also uses BOOTSTRAP as framework .
- This provided me an opportunity to learn and work with various themes and plugins to provide rich interactive content.
